## Annual Maintenance Contract Highlights

### FIXED PRICING

- Priced per unit, per one year minimum
- Optional pricing with no weight restrictions, no variables
- No weight restriction eliminates you weighing each truck OR us estimating
- All inclusive price provides a true budgetary number
- Same price per truck for ALL locations throughout US
- Multi-year contracts available

### FIXED BILLING

- Eliminates surprises
- Twelve monthly invoices, always the same amount
- Pay by credit card or ACH on the same day every month

### SERVICE

- Minimum of four (4) cleanings per truck per year (NRMCA national average is 2)
- Maximum of seven (7) cleanings per truck per year
- More frequent cleanings keeps trucks light throughout the year
- Consistency allows easy scheduling/planning for plant managers

### REPORTING

- Monthly report of all trucks cleaned available
- Monthly report highlights excessive trends, by truck or plant
- Identify build-up patterns, by truck or plant
- **Wear Evaluation & Analysis Reporting (WEAR)**
